

The #1 Ball in Green VS The #1 Ball in Golf

GET ON
THE GREEN!

Dixon Earth On-Course Performance Comparison

You can expect the very best in ball performance from your Dixon Earth golf ball no matter what your handicap—no matter what your club.

A recent test by an independent company proved our commitment to performance.

Driver Average	Dixon Earth	Titleist Pro V1
Club Head Speed	103.3	101.8
Ball Speed	141.6	136.8
Back Spin	2642	2980
Side Spin	140	660
Total Distance	251.5	244.2

Irons:

With a tough, proprietary polymer blended core and cover, Dixon Earth delivers consistent spin rates allowing the ball to land soft and stick.

Dixon Earth delivers superb short game feel and control while outdistancing the competition with the driver.

Putter:

Three putts are all but history with incredibly soft feel and true roll.
